Service Notes

Ranger Kids Service

Friday and Saturday evening there will be a special service for all RK ages. The RK service will be held in the lodge and will follow the same schedule as the main service. Each RK must have their lanyard/id card when checking in, we will only release them to the adult that dropped them off. Please plan on picking them up when the other services end. This service is for RK ages only.

Expedition Rangers at Pow-Wow

Special ER Service

On Friday and Saturday Night, we will have a separate service for the Expedition Rangers and 8th grade Adventure Rangers.

After the Division Rally older boys will accompany their outpost over the bridge and then may go directly to the ER service behind the lodge.

If as a commander you feel your boys are not old enough to attend this rally, it is not mandatory, it just an opportunity for us to better minister to these young men.
